

Lunch ordering procedures at St Kieran from 2017

As from the first day of Term One 2017 we will be outsourcing the canteen to a locally run business, Montello On Main. They will be supplying our children with fresh, homemade food on a daily basis. The ordering system will not change from the current procedure with lunches available every day. At this stage there will not be any recess options.

- Lunch order to be brought into school in labelled paper bags (same as previously used) and placed in class baskets
- Cash **must** be included in the lunch bag – change will be given if needed
- Baskets will be collected at 9:00am by Montello and returned at 11:55am
- Late orders – If a child is late to school or forgets to put their order in the school will ring the order through to Montello and it will be made up and delivered with the class basket. The money from the late orders will be collected by Montello when the lunches are dropped off at 11:55. Cut off time for late orders is 10:30.

- **No dropping off orders directly to Montello - all orders must go through the school. They will not be accepted at the store.**
- **No credit will be given so please do not ask**

- A copy of the menu can be found on the school website
- Spare bags and a copy of the menu will be located on the wall of the canteen near the roller door.
- KINDY students will not be able to order lunches due to the timing of their lunch break

The St Kieran community look forward to working in conjunction with this local family owned business.

CANTEEN PRICE LIST 2017 – St KIERAN CATHOLIC PRIMARY SCHOOL
